Dual app in second space

Continue

```
Is dual space app is safe. Miui dual app in second space. How to create dual app in second space. How to use dual app in second space. Meaning of dual space
The short:Pros:- MEGA fast (connecting, streaming, transferring)- USB ports (with 1 supporting faster USB 3.0)- Powerful signal (no longer in competition with apartment complex neighbors--consistently strongest signal)- Sleek interface (easy setup, easy maintenance and setting changes)- Very convenient (Phone app allows remote support, meaning
you can manage your router from anywhere)- Lots of functionality (client management, parental controls, media prioritization, NAS management)- Competitively priced- Aesthetically pleasing, much softer lighting than typical routers (esp. Linksys)Cons:- Mounting holes are in an odd spot (hangs router such that cables protrude to the left)- Power
cable is a little shortFor reference I am on Charter (cable broadband like Comcast or Time Warner) with advertised 60 Mb/s. I live in a 2-level apartment with lots of 2.4 GHz noise from surrounding networks. We have the following wireless
range extender (TP-Link N300), however now I don't need it!The long:What a great router! I upgraded from an old Cisco N300 router that had done the job fine, but was beginning to need periodic resets in order to be functional. This combined with a shotty modem provided by my cable internet company and a range extender on another floor made
for a frustrating dissatisfactory internet experience about 50% of the time. I upgraded to a new modem (Archer SURFBoard), and noticed the connection on wired devices was faster and more consistent, however my wireless signal was still spotty and intermittent especially with the noisy surrounding networks. I decided it was time to upgrade. I am
definitely a techie so I did a lot of research before on different routers, and heard rave reviews from a relative and a coworker on the management app, signal strength, and overall router performance. The setup was super simple, just plug and play if you just want a router that works! The quick-start quide lists the pre-set strong password and unique
SSID. I, however, had to make sure I knew every setting and feature well, and was very impressed with the settings for Media Prioritization (very useful for streaming) and External Storage (NAS, FTP server and user permissions!). I also set the wireless channel to 9 after bringing up a WiFi analyzing app on my phone and seeing that 1-6 or so were
jam packed. The difference was, well, underwhelming! Before I was consistently annoyed, and now I hardly even notice it's there! The external storage is super useful if you haven't used that before. Me and my wife can transfer files between computers much faster now-our own personal cloud! I no longer use a range extender and I never lose
connection. Overall, very pleased. Job well done, Linksys. P.S. My SSIDs: TellMyWiFiLoveHer and BillWiTheScienceFi Liabilities affirmation matters in a traffic accident. Since 2015, Vantrue is passionate about providing reliable road safety resolution for every driver, and keeping focus on pioneering performance and quality of dashcams. Our
dashcams are rated as the best by CNET, Wirecutter, etc., and now Vantrue has become one of the world's leading dashcam brands. We are absorbed in product development and technology innovation and persist in high-end orientation to quality & services. We've continually brought the first 4K, dual & 3-channel dashcams to the market and
we'll go on exploring on best user experience and intelligence of road & parking protection. At Vantrue, we seek for the advancement of technology and keep firmly grounded on providing genuine solutions for people. With the high-tech auto industry chain turned out, Vantrue will continue to create value and explore new possibilities of dashcams and
launch more practical and new products. This game is not yet available on Steam "Potentially my Game of the Year"Rock, Paper, Shotgun Second Front is the tactical WWII game that genre enthusiasts always wanted and never really got. Sporting a full-fledged 3D engine and an easy to use user interface, the game is easy to play but hard to master.
Why is that? Because Second Front is a project born from the developers' passion and experience with realistic and deep tabletop tactical players for
long. Second Front comes with multiple campaigns covering different fronts of World War II and sporting German, American and Russian units. Scenarios are fought in a 60 turns battle cycle, from morning to night. Fight and rest or push your troops to the limit and press the attack. These are not set-pieces scripted battles but continuous emergent
skirmishes with persistent loss, fatigue, and experience. Thanks to the full-fledged editor you will be able to create any kind of battle you have in mind. The intuitive user interface makes it easy to put your disposal. More than 200
different vehicles and different infantry units for each nation; plus tens of small weapons types for each faction. Different leaders are also included in every country. The arsenal of Second Front includes well known-units like Panzer 4s, Shermans and Stugs to more exotic ones like the Jagdtiger, the Kettenkrad and the T35. Every unit is painstakingly
recreated with abilities like smoke dispensers and hatch-dependent weapons. And remember you can, and must rotate turrets. Realistic tank fights! Don't be fooled by the nice looks of Second Front, this is no walk in the park! The gameplay uses hexagons and different phases to capture in detail every second of action on the battlefield, in a very
similar way to well-known tabletop tactical games. 22 different types of terrain are included together with 80 types of multi-level buildings and more than 70 different unique models. Deep' does not mean complicated. Second Front makes the
most of the digital medium providing an iconic interface rich with tooltips and easy to understand. The game is full of decisions and the designers focused on making all of them transparent and immediately evident. The AI in Second Front is not scripted; instead, it uses plans and emergent behavior to find a way through your defenses or organize its
own lines to withstand your attacks. Finally a worthy opponent in a tactical WWII game! Second Front is a passionate project in the making. While the development of the core game is well underway and rich in features, constant updates are already planned. Desert and jungle environment, paratroopers, close air support are just a few of the new
features that are scheduled for release after the core game. Maybe your PC doesn't meet the hardware
requirements; maybe you bought a game by mistake; maybe you played the title for an hour and just didn't like it. It doesn't matter. Valve will, upon request via help.steampowered.com, issue a refund for any reason, if the required return period, and, in the case of games, if the title has been played for less than two hours.
There are more details below, but even if you fall outside of the refund of your purchase within a week of approval. You will receive the refund anyway and we'll take a look. You will be issued a full refund of your purchase within a week of approval. You will receive the refund in Steam Wallet funds or through the same payment method you used to make the purchase. If, for
any reason, Steam is unable to issue a refund via your initial payment method, your Steam wallet will be credited the full amount. (Some payment method available through Steam in your country may not support refunding a purchase back to the original payment method. Click here for a full list.) The Steam refund offer, within two weeks of
purchase and with less than two hours of playtime, applies to games and software applications on the Steam store. Here is an overview of how refunds work with other types of purchased from the Steam store is
refundable within fourteen days of purchase, and if the underlying title has been played for less than two hours since the DLC was purchased, so long as the DLC has not been consumed, modified or transferred. Please note that in some cases, Steam will be unable to give refunds for some third party DLC (for example, if the DLC irreversibly levels up
a game character). These exceptions will be clearly marked as nonrefundable on the Store page prior to purchase. Refunds on In-game purchases within any Valve-developed games within forty-eight hours of purchase, so long as the in-game item has not been consumed, modified or transferred. Third-
party developers will have the option to enable refunds for in-game items on these terms. Steam will tell you at the time of purchase if the game developer has opted to offer refunds on the in-game items on these terms. Steam will tell you at the time of purchase if the game developer has opted to offer refunds on the in-game items on these terms.
pre-purchase a title on Steam (and have paid for the title in advance), you can request a refund at any time prior to release date. Steam Wallet funds within fourteen days of purchase if they were
 purchase or within 48 hours of any automatic renewal. Content is considered used if any games within the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription at any time
refund for Steam hardware and accessories purchased on the Steam. Refunds on Bundles You can receive a full refund for any bundle purchased on the bundle is less than two hours. If a bundle includes an in-game item or
DLC that is not refundable, Steam will tell you if the whole bundle is refundable during check-out. Purchases Made Outside of Steam (for example, CD keys or Steam wallet cards purchased from third parties). VAC Bans If you have been banned by VAC (the Valve Anti-Cheat system)
from purchasing titles on Steam—not as a way to get free games. If it appears to us that you are abusing refund or get other assistance
with your Steam purchases at help.steampowered.com. Last updated 10 November, 2020 Page 5 You can requirements; maybe you bought a game by mistake; maybe you played the title for an hour and just didn't like it. It doesn't matter
Valve will, upon request via help.steampowered.com, issue a refund for any reason, if the required return period, and, in the case of games, if the title has been played for less than two hours. There are more details below, but even if you fall outside of the refund rules we've described, you can ask for a refund anyway and
we'll take a look. You will be issued a full refund of your purchase within a week of approval. You will receive the refund in Steam Wallet funds or through the same payment method, your Steam Wallet will be credited the full amount
 how refunds work with other types of purchases. Refunds on Downloadable Content (Steam store content usable within another game or software application, "DLC") DLC purchased from the Steam store is refundable within fourteen days of purchased, so
long as the DLC has not been consumed, modified or transferred. Please note that in some cases, Steam will be unable to give refunds for some third party DLC (for example, if the DLC irreversibly levels up a game character). These exceptions will be clearly marked as nonrefundable on the Store page prior to purchase. Refunds on In-game
game developer has opted to offer refunds on the in-game item you are buying. Otherwise, in-game purchase a title on Steam (and have paid for the title in advance), you can request a refund at any time prior to release of that title. The
standard 14-day/two-hour refund period also applies, starting on the game's release date. Steam Wallet Refunds You may request a refund for Steam Wallet funds within fourteen days of purchase if they were purchased on Steam offers
periodic (e.g. monthly, yearly) access that you pay for on a recurring basis. If a renewable subscription has not been used during the current billing cycle, you may request a refund within 48 hours of the initial purchase or within 48 hours of any automatic renewal. Content is considered used if any games within the subscription have been played
 during the current billing cycle or if any benefits or discounts included with the subscription at any time by going to your account details. Once cancelled, your subscription will no longer automatically renew but you will retain access to the
content and benefits of the subscription through the end of your current billing cycle. on the Steam Store, so long as none of the items in the bundle is less than two hours. If a bundle is refundable during check-out. Purchases Made Outside of Steam Valve
cannot provide refunds for purchases made outside of Steam (for example, CD keys or Steam wallet cards purchased from third parties). VAC Bans If you have been banned by VAC (the Valve Anti-Cheat system) on a game, you lose the right to refund that game. Video Content We are unable to offer refunds for video content on Steam (e.g. movies,
shorts, series, episodes, and tutorials), unless the video is in a bundle with other (non-video) refunded under the same conditions if the gift recipient initiates the refund. Funds used to purchase the gift
will be returned to the original purchaser. EU Right of Withdrawal For an explanation of how the EU right of withdrawal works for Steam customers, click here. Abuse Refunds are designed to remove the risk from purchasing titles on Steam—not as a way to get free games. If it appears to us that you are abusing refunds, we may stop offering them to
you. We do not consider it abuse to request a refund on a title that was purchased just before a sale and then immediately rebuying that title for the sale price. You can request a refund or get other assistance with your Steam purchases at help.steampowered.com. Last updated 10 November, 2020 Page 6 Steelrising Story Rich, Action, Souls-like, RPG

Strategy Gang Beasts Funny, Physics, Multiplayer, Colorful Kerbal Space Program Space, Simulation, Sandbox, Physics Page 7 Valve respects the privacy of its online visitors and customers of its products and services and complies with applicable laws for the protection of your privacy, including, without limitation, the California Consumer Privacy
Act ("CCPA"), the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the Swiss and EU Privacy Shield Frameworks. 1. Definitions Wherever we talk about Personally Identifying Information") or that can be connected to
you indirectly by linking it to Personally Identifying Information. Valve also processes anonymous data, aggregated or not, to analyze and produce statistics related to the habits, usage patterns, and demographics of customers as a group or as individuals. Such anonymous data does not allow the identification of the customers to which it relates. Valve
our agreement with you to provide a full-featured gaming service and deliver associated Content and Services; b) where it is necessary for compliance with legal obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate and legal interests of Valve or a
third party (e.g. the interests of our other customers), except where such interests are overridden by your prevailing legitimate interests and rights; or d) where you have given consent to it. These reasons for collecting and processing Personal Data we collect and how we use it (section 3. below), how long we
store it (section 4. below), who has access to it (section 5. below) and what rights and other control mechanisms are available to you as a user (section 6. below). 3. The Types and Sources of Data We Collect 3.1 Basic Account Data When setting up an Account, Valve will collect your email address and country of residence. You are also required to
choose a user name and a password. The provision of this information is necessary to register a Steam User Account, the account, the account without directly exposing Personally Identifying Information about you. We do not
require you to provide or use your real name for the setup of a Steam User Account. 3.2 Transaction and Payment Data In order to make a transaction on Steam (e.g. to purchase Subscriptions for Content and Services or to fund your Steam Wallet), you may need to provide payment data to Valve to enable the transaction. If you pay by credit card,
you need to provide typical credit card information (name, address, credit card number, expiration date and security code) to Valve, which Valve will process and transmit to the payment service provider for the
same reasons. 3.3 Other Data You Explicitly Submit We will collect and process Personal Data whenever you explicitly provide it to us or send it as part of communication with others on Steam, e.g. in Steam Community Forums, chats, or when you provide feedback or other user generated content. This data includes: Information that you post,
comment or follow in any of our Content and Services; Information you provide when you request information necessary to process your orders with the relevant payment merchant or, in case of physical goods, shipping providers;
Information you provide to us when participating in competitions, contests and tournaments or responding to surveys, e.g. your contact details. 3.4 Your Use of the Steam Client and Websites We collect a variety of information through your general interaction with the websites, Content and Services offered by Steam. Personal Data we collect may
include, but is not limited to, browser and device information, data collected through automated electronic interactions to verify that you are not a bot and to optimize our services. 3.5 Your Use of Games and other Subscriptions In order to provide
you with services, we need to collect, store and use various information about your games, progress in the games, playtime, as well as what is usually referred to as "game statistics". By game statistics we mean information about your games, progress in the games, playtime, as well as
 information about the device you are using, including what operating system you are using, device settings, unique device identifiers, and crash data. 3.6 Tracking Data and Cookies We use "Cookies", which are text files placed on your computer, and similar technologies (e.g. web beacons, pixels, ad tags and device identifiers) to help us analyze how
users use our services, as well as to improve the services we are offering, to improve marketing, analytics or website functionality. The use of Cookies is standard on the internet. Although most web browsers automatically accept cookies, the decision of whether to accept or not is yours. You may adjust your browser settings to prevent the reception
of cookies, or to provide notification whenever a cookie is sent to you. You may refuse the use of cookies for each browser is further detailed on the following help page: . However, please note that if you do this, you may not be able to access the full
functionality of our websites. When you visit any of our services, our services, our services shown on the pages of the Steam
store and in update messages displayed when launching the Steam Client can be tailored to meet your needs and populated with relevant recommendations and offers. This is done to improve your customer experience. You can prevent the processing of your data in this way by turning off the automatic loading of the Steam store page and of Steam
notifications in the "Interface" section of the Steam Client settings. Subject to your separate consent or where explicitly permitted under applicable laws on email address. In such a case we may also use your collected information to
customize such marketing messages as well as collect information on whether you opened such messages and which links in their text you followed. You can opt out or withdraw your consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either with the consent to receive marketing emails at any time by emails at any time by either with the consent to receive marketing emails at any time by emails 
provided in every marketing email. Alternatively, you can select what kinds of emails you wish to receive on the email setting page. 3.8 Information Required to Detect Violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating and other violations of the SSA and applicable laws ("Violations").
 applicable statute of limitations or until a legal case related to it has been resolved. Please note that the specific data stored for this purpose may not be disclosed to you if the disclosure will compromise the mechanism through which we detect, investigate and prevent such Violations. 4. How Long We Store Data We will only store your information as
long as necessary to fulfil the purposes for which the information is collected and processed or — where the applicable law. In particular: If you
terminate your Steam User Account, your Personal Data will be marked for deletion except to the degree legal requirements or other prevailing legitimate purposes dictate a longer storage. In certain cases, Personal Data cannot be completely deleted in order to ensure the consistency of the gameplay experience or the Steam Community Market. For
instance, matches you have played that affect other players' matchmaking data and scores will not be deleted; rather, your connection to these matches will be permanently anonymized. Please note that Valve is required to retain certain transactional data under statutory commercial and tax law for a period of up to ten (10) years. If you withdraw
your consent on which a processing of your Personal Data or your child is based, we will delete your Personal Data or respectively the Personal Data or your child without undue delay to the extent that the collection and processing of the Personal Data or respectively the Personal Data or your child without undue delay to the extent that the collection and processing of the Personal Data or respectively the Per
processing of your Personal Data, we will review your objected without undue delay, unless another legal basis for processing and retaining this data exists or unless applicable law requires us to retain the data. 5. Who Has Access to Data Valve does not sell
Personal Data. However, we may share or provide access to each of the categories of Personal Data with each other and use it to the degree necessary to achieve the purposes listed in section 2 above. In the event of a
reorganization, sale or merger we may transfer Personal Data to the relevant third party subject to applicable laws. 5.2 We may also share your Personal Data with our third party service providers that provide customer support services in connection with goods, Content and Services distributed via Steam. Your Personal Data will be used in
accordance with this Privacy Policy and only as far as this is necessary for performing customer support services. 5.3 In accordance with internet standards, we may also share certain information (including your IP address and the identification of Steam content delivery
network services and game server services in connection with Steam. Our content delivery network providers enable the delivery of digital content to you, based on your geographic location. 5.4 Google Analytics Our website uses Google
Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses cookies to help the website operators analyze how visitors' use of the website will generally be transmitted to and stored by Google on servers in the United States. On this website, Il
anonymization has been activated. The IP addresses of users visiting Steam will be shortened to a Google server in the United States and shortened there. On behalf of the website operator, Google will use this information for the purpose of evaluating the website for its users, in
order to compile reports on website activity, and to provide other services relating to website activity and internet usage for website operators. Google Will not associate the IP address transferred in the context of Google Analytics with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your
browser. However, please note that in this case you may not be able to use the full functionality of this website. You can prevent Google's collects and uses data at www.google.com/policies/privacy/partners. Furthermore, you can prevent Google's collects and uses data at www.google.com/policies/privacy/partners.
and installing the browser plug-in through the following link: . 5.5 We make certain data related to your Steam User Account available to other players and our partners through the public persona name you have chosen to represent you on
Steam and your Avatar picture are accessible this way, as well as whether you have received a ban for cheating in a multiplayer game. The accessibility of any additional info about you can be controlled through they game are accessible this way, as well as whether you have received a ban for cheating in a multiplayer game. The accessibility of any additional info about you can be controlled through they game.
Steamworks API. In addition to the publicly available information, game developers and publishers have access to certain information includes as a minimum your ownership of the game in question. Depending on which Steamworks services are
implemented in the game it may also include leaderboard information, your progress in the game, achievements you have completed, your multiplayer game matchmaking information on what Steamworks services a specific game has
implemented, please review its store page. While we do not knowingly share Personally Identifying Information you share about your real name or your real name or your real name or your real name or your share about your share a
make you identifiable. 5.6 The Steam community includes message boards, forums and/or chat areas, where users can exchange ideas and communicate with each other. When posting a message to a board, forum or chat area, please be aware that the information is being made publicly available online; therefore, you are doing so at your own risk. If
your Personal Data is posted on one of our community forums against your will, please use the reporting function and the Steam help site to request its removal. 5.7 Valve may collect and combine information you allowed
Valve to receive from a third party with information of your Steam User Account to the degree allowed by your consent at the time. If the linking of the accounts requires the transmission of information about your person from Valve to a third party, you will be informed about it before the linking takes place and you will be given the opportunity to
consent to the linking and the transmission of your information. The third party's use of your information will be subject to the third party's privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. 6. Your Rights and Control
Mechanisms The data protection laws of the European Economic Area, United Kingdom, California, and other territories grant their residents certain rights, we make the tools designed to exercise such rights available to our customers worldwide. (When we
talk about the GDPR in this section, we mean the version of the GDPR that applies to you in the EU or UK). To allow you to exercise your data protection rights in a simple way we are providing a dedicated section on the Steam support page (the "Privacy Dashboard").
where necessary and to object to its use where you feel necessary. To access it, log into the Steam Account. In most cases, you can access, manage, or delete Personal Data in the Privacy Dashboard, but you may also contact Valve with questions or requests via
the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area or United Kingdom you have the right to access your Personal Data that we hold about you, i.e. the right to require free of charge (i) information whether your
Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard.
administrative costs of providing the information or communication or taking the action requested) or refuse to act on the request. 6.2 Right to Rectification. If we process your Personal Data, we shall endeavor to ensure by implementing suitable measures that your Personal Data is accurate and up-to-date for the purposes for which it was collected.
If your Personal Data is inaccurate or incomplete, you can change the information you provided via the Privacy Dashboard. 6.3. Right to Erasure. You have the right to obtain deletion of Personal Data concerning you if the reason why we could collect it (see section 2. above) does not exist anymore or if there is another legal ground for its deletion. For
individual items of Personal Data please edit them through the Privacy Dashboard or request the deletion of your Steam user account via the Steam support page. As a result of deletion of your Steam user account, you will lose access to Steam services, including the Steam User Account,
Subscriptions and game-related information linked to the Steam User Account and the possibility to access other services you are using the Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of your Steam User Account. This functionality allows
you not to lose your account by mistake, because of your loss of your account credentials or due to hacking. During the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the suspension period and the suspension period activities that you may have initiated before sending the suspension period activities that you may have initiated before sending the suspension period activities that you may have initiated before sending the suspension period activities that you may have initiated before sending the suspension period activities that you may have initiated before sending the suspension period activities that you may have 
be deleted subject to section 4. above. In some cases, deletion of your Steam User Account, and therefore Personal Data deletion, is complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your Steam User Account after you have transferred this role to
another user or have dissolved the business relationship. In some cases, considering the complexity and number of the requests, the period for Personal Data erasure may be extended, but for no longer than two further months. 6.4 Right to Object. When our processing of your Personal Data is based on legitimate interests according to Article 6(1)(f)
of the GDPR / section 2.c) of this Privacy Policy, you have the right to object we will no longer processing as described in Article 21 of the GDPR; in particular if the data is necessary for the establishment, exercise or
defense of legal claims. You also have the right to lodge a complaint at a supervisory authority. 6.5 Right to restriction of processing of your Personal Data under the conditions set out in article 18 of the GDPR. 6.6 Right to Personal Data portability You have the right to
receive your Personal Data in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller under the conditions set out in article 20 of the GDPR. Valve makes your Personal Data available in structured HTML format through the Privacy Dashboard as described above. 6.7 Right to Post-
Mortem Control of Your Personal Data If French data protection legislation is applicable to you, you have the right to establish guidelines for the preservation, the deletion and the transmission of Personal Data after your death in accordance with article 40-1 of the Act No 78-17 of 6 January 1978 on Information, Technology, Data Files and Civil
Liberties. 7. Children The minimum age to create a Steam User Account is 13. Valve will not knowingly collect Personal Data from children under this age. Where certain countries apply a higher age of consent for the collection of Personal Data.
associated with it collected. Valve encourages parents to instruct their children to never give out personal information when online. 8. Contact Info You can contact Valve's data protection officer at the address below. While we review any request sent by mail, please be aware that to combat fraud, harassment and identity theft, the only way to access,
rectify or delete your data is through logging in with your Steam User Account -> View Account -> View Account Data. Valve Corporation Att. Data Protection guestions: Valve GmbH Att. Legal Rödingsmarkt 9 D-20459 Hamburg Germany
UK representative for data protection questions: RIVACY Ltd. 71, Warriner Gardens, Unit G1/G2 London, SW11 4DX United Kingdom 9. Additional Information outside the European Economic Area or United Kingdom, in countries
which may not have equivalent data protection law. If we do so, we will take steps to ensure your personal information is protected by appropriate legal safeguards, like EU or UK standard contractual clauses, and that it is treated securely and in accordance with this privacy policy. Although the EU-U.S Privacy Shield and the Swiss-US Privacy Shield
have been ruled invalid as a legal basis for data transfers to the U.S., Valve and TR Technical Services Inc., its wholly-owned U.S. subsidiary (collectively "Valve") continue to comply with the Privacy Shield Principles with respect to any Personal Data transferred from the EU, UK, and Switzerland to the United States in reliance on the Privacy Shield.
If there is any conflict between the terms in this privacy Shield Principles, the Privacy Shield Principles, the Principles, Valve our certification, please visit. The Federal Trade Commission has jurisdiction over Valve's compliance with the Privacy Shield Principles. Under the Principles, Valve
shall remain liable if third party agents process the personal information on our behalf in a manner inconsistent with the Principles, unless Valve proves it is not responsible for the event giving rise to the damage. EU, UK and Swiss individuals with inquiries or compliance with the Principles should first contact Valve here. If
we do not address your concern satisfactorily, please contact our U.S.-based third-party dispute resolution provider (free of charge) at . As explained in the Privacy Shield documentation (certain residual claims not resolved by other means may be subject to binding arbitration. In such event, an arbitration option will be made available to you. 10.
Additional Information for Users from California The CCPA grants California residents certain privacy rights and Valve's practices with respect to them. Right to Know. Under the CCPA you have the
right to request that we disclose to you what Personal Data we collect, use, disclose, and sell. Right to request Deletion. You also have the right to request to delete data may impact your use of the Steam service in some cases, and we may
decline to delete information for reasons set forth in this Privacy Policy or as permitted by the CCPA. Other Rights. The CCPA also gives California residents a right to opt-out from the sale of their Personal Data. As described in section 5, we do not sell Personal Data and have not done so in the past 12 months. You also have a right to receive notice of
our practices at or before collection of your Personal Data. Finally, you have a right to not be discriminated against for exercising your rights under the CCPA. Exercising your Rights. The primary means of accessing, managing or deleting your rights under the CCPA. Exercising Your Rights.
also delete their Steam Account and associated Personal Data as described in section 6.3 of this Privacy Policy. If you are unable to access or delete data through the Privacy Dashboard, you will need to log in with your Steam User
Account to use the form. Finally, you can contact us with a request at questions@valvesoftware.com, however, before providing access to, or deleting any, Personal Data, based on a request at questions@valvesoftware.com, however, before providing access to, or deleting any, Personal Data, based on a request at questions@valvesoftware.com, however, before providing access to, or deleting any, Personal Data, based on a request received via email, we will need to verify your identity utilizing the "Proof of Ownership" process described at . You may designate, in writing or through a power
of attorney, an authorized agent to make requests on your behalf to exercise your rights under the CCPA. Before accepting such a request from an agent, we will require the agent to provide proof you have authorized it to act on your behalf, and we may need you to verify your identity directly with us. Categories, Sources, Purposes, and Recipients of
the Data We Collect. Over the preceding 12 months, we have collected the categories of Personal Data described in section 3 of this Privacy Policy. The sources from which we collect and process it, are described in sections 2 and 3. Over the preceding 12 months, we have disclosed for business
purposes each of the categories of Personal Data with the categories of third parties as described in section 5. Revision Date: February 16, 2022 Page 8 Valve respects the privacy, including, without limitation, the
California Consumer Privacy Act ("CCPA"), the European Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the Swiss and EU Privacy Shield Frameworks. 1. Definitions Wherever we talk about Personally Identifying Information")
or that can be connected to you indirectly by linking it to Personally Identifying Information. Valve also processes anonymous data, aggregated or not, to analyze and produce statistics related to the habits, usage patterns, and demographics of customers as a group or as individuals. Such anonymous data does not allow the identification of the
customers to which it relates. Valve may share anonymous data, aggregated or not, with third parties. Other capitalized terms in this Privacy Policy shall have the meanings defined in the Steam Subscriber Agreement ("SSA"). 2. Why Valve Collects and Processes Data Valve collects and processes Personal Data for the following reasons: a) where it is
necessary for the performance of our agreement with you to provide a full-featured gaming service and deliver associated Content and Services; b) where it is necessary for compliance with legal obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate
and legal interests of Valve or a third party (e.g. the interests and rights; or d) where you have given consent to it. These reasons for collecting and processing Personal Data determine and limit what Personal Data we collect and how we use it
```

```
(section 3. below), how long we store it (section 4. below), who has access to it (section 5. below) and what rights and other control mechanisms are available to you as a user (section 4. below), who has access to it (section 5. below) and what rights and country of
residence. You are also required to choose a user name and a password. The provision of this information is necessary to register a Steam User Account, the account without directly exposing Personally Identifying
Information about you. We do not require you to provide or use your real name for the setup of a Steam User Account. 3.2 Transaction and Payment Data In order to make a transaction on Steam (e.g. to purchase Subscriptions for Content and Services or to fund your Steam Wallet), you may need to provide payment data to Valve to enable the
transaction. If you pay by credit card, you need to provide typical credit card information (name, address, credit card number, expiration date and security code) to Valve, which Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks. Likewise, Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks. Likewise, Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks. Likewise, Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks.
your payment service provider for the same reasons. 3.3 Other Data You Explicitly Submit We will collect and process Personal Data whenever you explicitly provide it to us or send it as part of communication with others on Steam, e.g. in Steam Community Forums, chats, or when you provide feedback or other user generated content. This data
includes: Information that you post, comment or follow in any of our Content and Services; Information you provide when you request information necessary to process your orders with the relevant payment merchant or, in case of
physical goods, shipping providers; Information you provide to us when participating in competitions, contests and tournaments or responding to surveys, e.g. your contact details. 3.4 Your Use of the Steam Client and Websites We collect a variety of information through your general interaction with the websites, Content and Services offered by
Steam. Personal Data we collect may include, but is not limited to, browser and device information, data collected through automated electronic interactions to verify that you are not a bot and to optimize our services. 3.5 Your Use of Games and
other Subscriptions In order to provide you with services, we need to collect, store and use various information about your games' preferences,
progress in the games, playtime, as well as information about the device you are using, including what operating system you are using, device settings, unique device identifiers, and crash data. 3.6 Tracking Data and Cookies We use "Cookies", which are text files placed on your computer, and similar technologies (e.g. web beacons, pixels, ad tags
and device identifiers) to help us analyze how users use our services, as well as to improve the services we are offering, to improve marketing, analytics or website functionality. The use of Cookies is standard on the internet. Although most web browsers automatically accept cookies, the decision of whether to accept or not is yours. You may adjust
your browser settings to prevent the reception of cookies by selecting the appropriate settings on your browser. The management of the use of cookies for each browser is further detailed on the following help page: . However, please note that if you do this
you may not be able to access the full functionality of our websites. When you visit any of our services, our services, our services, our services, our services, which is a number that is automatically assigned to the network your computer is part of. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and
services shown on the pages of the Steam client can be tailored to meet your needs and populated with relevant recommendations and offers. This is done to improve your customer experience. You can prevent the processing of your data in this way by turning off the automatic
loading of the Steam store page and of Steam notifications in the "Interface" section of the Steam Client settings. Subject to your separate consent or where explicitly permitted under applicable laws on email address. In such a case we
may also use your collected information to customize such marketing messages as well as collect information on whether you opened such messages and which links in their text you followed. You can opt out or withdraw your consent to receive marketing emails at any time by either withdrawing the consent on the same page where you previously
provided it or clicking the "unsubscribe" link provided in every marketing email. Alternatively, you can select what kinds of emails you wish to receive on the email setting page. 3.8 Information Required to Detect Violations We collect certain data that is required for our detection, investigation and prevention of fraud, cheating and other violations of
the SSA and applicable laws ("Violations"). This data is used only for the purposes of detection, investigation, prevention and, where applicable, acting on of such Violations and stored only for the minimum amount of time needed for this purpose. If the data indicates that a Violation has occurred, we will further store the data for the establishment,
exercise or defense of legal claims during the applicable statute of limitations or until a legal case related to it has been resolved. Please note that the specific data stored for this purpose may not be disclosure will compromise the mechanism through which we detect, investigate and prevent such Violations. 4. How Long We
Store Data We will only store your information as long as necessary to fulfil the purposes for which the information is collected and processed or — where the applicable law provides for longer storage and retention period — for the storage and retenti
provided by applicable law. In particular: If you terminate your Steam User Account, your Personal Data cannot be completely deleted in order to ensure the consistency of the gameplay
experience or the Steam Community Market. For instance, matches will be permanently anonymized. Please note that Valve is required to retain certain transactional data under statutory commercial and tax law for a
period of up to ten (10) years. If you withdraw your consent on which a processing of your Personal Data or your child is based, we will delete your Personal Data or your child without undue delay to the extent that the collection and processing of the Personal Data or your child withdrawn
consent. If you exercise a right to object to the processing of your Personal Data, we will review your objected without undue delay, unless another legal basis for processing and retaining this data exists or unless applicable law requires us to retain the data. 5.
Who Has Access to Data Valve does not sell Personal Data. However, we may share or provide access to each of the categories of Personal Data with each other and use it to the degree necessary to achieve the purposes listed in
section 2 above. In the event of a reorganization, sale or merger we may transfer Personal Data to the relevant third party service providers that provide customer support services in connection with goods, Content and Services distributed via Steam. Your
Personal Data will be used in accordance with internet standards, we may also share certain information (including your IP address and the identification of Steam content you wish to access) with our third party network providers
that provide content delivery network services and game server services in connection with Steam. Our content delivery network providers enable the delivery network services and game server services in connection with Steam. Our content delivery network providers enable the delivery network services and game server services and game server services in connection with Steam. Our content delivery network providers enable the delivery network services and game server services in connection with Steam. Our content delivery network services and game server services in connection with Steam.

are doing so at your own risk. If your Personal Data is posted on one of our community forums against your will, please use the reporting function and the Steam help site to request its removal. 5.7 Valve may allow you to link your Steam User Account to an account offered by a third party. If you consent to link the accounts, Valve may collect and
combine information you allowed Valve to receive from a third party with information of your Steam User Account to the degree allowed by your consent at the time. If the linking of the accounts requires the transmission of information about your person from Valve to a third party, you will be informed about it before the linking takes place and you
will be given the opportunity to consent to the linking and the transmission of your information. The third party's use of your information will be subject to the third party's privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such
information. 6. Your Rights and Control Mechanisms The data protection laws of the European Economic Area, United Kingdom, California, and other territories grant their residents certain rights in relation to their personal Data. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise such rights available.
to our customers worldwide. (When we talk about the GDPR in this section, we mean the version of the GDPR that applies to you in the EU or UK). To allow you to exercise your data protection rights in a simple way we are providing a dedicated section on the Steam support page (the "Privacy Dashboard"). This gives you access to your Personal Data,
 allows you to rectify and delete it where necessary and to object to its use where you feel necessary. To access it, log into the Steam support page at and choose the menu items My Account -> Data Related to Your Steam Account. In most cases, you can access, manage, or delete Personal Data in the Privacy Dashboard, but you may also contact Valve
with questions or requests via the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area or United Kingdom you have the right to access your Personal Data that we hold about you, i.e. the right to require free of charge
(i) information whether your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access the 
(taking into account the administrative costs of providing the information or taking the action requested) or refuse to act on the request. 6.2 Right to Rectification. If we process your Personal Data, we shall endeavor to ensure by implementing suitable measures that your Personal Data is accurate and up-to-date for the purposes for
which it was collected. If your Personal Data is inaccurate or incomplete, you can change the information you from the reason why we could collect it (see section 2. above) does not exist anymore or if there is another legal
ground for its deletion. For individual items of Personal Data please edit them through the Privacy Dashboard or request the deletion via the Steam support page. You can also request the deletion of your Steam user account via the Steam support page.
 the Steam User Account, Subscriptions and game-related information linked to the Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of your Steam User Account.
This functionality allows you not to lose your account by mistake, because of your account credentials or due to hacking. During the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the Steam User Account deletion request. After the grace period, Personal Data
associated with your account will be deleted subject to section 4. above. In some cases, deletion of your Steam User Account, and therefore Personal Data deletion, is complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your Steam User Account
after you have transferred this role to another user or have dissolved the business relationship. In some cases, considering the complexity and number of the requests, the period for Personal Data is based on legitimate
interests according to Article 6(1)(f) of the GDPR / section 2.c) of this Privacy Policy, you have the right to object to this processing as described in Article 21 of the GDPR; in particular if the data is necessary for
the establishment, exercise or defense of legal claims. You also have the right to lodge a complaint at a supervisory authority. 6.5 Right to Personal Data under the conditions set out in article 18 of the GDPR. 6.6 Right to Personal Data
portability You have the right to receive your Personal Data in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller under the conditions set out in article 20 of the GDPR. Valve makes your Personal Data available in structured HTML format through the Privacy Dashboard as
described above. 6.7 Right to Post-Mortem Control of Your Personal Data If French data protection legislation is applicable to you, you have the right to establish guidelines for the preservation, the deletion and the transmission of Personal Data after your death in accordance with article 40-1 of the Act No 78-17 of 6 January 1978 on Information
Technology, Data Files and Civil Liberties. 7. Children The minimum age to create a Steam User Account is 13. Valve will not knowingly collect Personal Data, Valve requires parental consent before a Steam User Account can be
created and Personal Data associated with it collected. Valve encourages parents to instruct their children to never give out personal information when online. 8. Contact Info You can contact Valve's data protection officer at the address below. While we review any request sent by mail, please be aware that to combat fraud, harassment and identity
theft, the only way to access, rectify or delete your data is through logging in with your Steam User Account at and selecting the menu items -> My Account -> View Account Data. Valve Corporation Att. Legal Rödingsmarkt 9
